

AUTHORIZING THE TEMPORARY EMPLOYMENT OF ADDITIONAL PERSONNEL BY THE COMMITTEE ON POST OFFICE AND CIVIL SERVICE

JANUARY 25 (legislative day, JANUARY 8), 1951.—Ordered to be printed

Mr. HAYDEN, from the Committee on Rules and Administration,
submitted the following

REPORT

[To accompany S. Res. 19]

The Committee on Rules and Administration, to whom was referred the resolution (S. Res. 19) authorizing the temporary employment of additional personnel by the Committee on Post Office and Civil Service, having considered the same, report favorably thereon without amendment, and recommend that it be agreed to by the Senate.

During the Eighty-first Congress the Committee on Post Office and Civil Service did not find it necessary to employ more than two professional members on its staff, but it was necessary for that committee, at certain times, to employ an additional clerical assistant and it appears that this situation will continue to prevail in the Eighty-second Congress. The amount authorized to be expended under this resolution (S. Res. 19) is \$3,000.

SENATE

835 Committee
1st Session

AUTHORIZING THE TEMPORARY EMPLOYMENT OF ADDI-
TIONAL PERSONNEL BY THE COMMITTEE ON POST-
OFFICE AND CIVIL SERVICE

JANUARY 25 (Wednesday) day, JANUARY 2, 1921.—Ordered to be printed

Mr. Hiram, from the Committee on Rules and Administration,
submitted the following

REPORT

[To accompany S. RES. 10]

The Committee on Rules and Administration, to whom was referred the resolution (S. Res. 10) authorizing the temporary employment of additional personnel by the Committee on Post Office and Civil Service, respectfully reports, together therewith, a statement of the reasons therefor, and recommends that it be agreed to by the Senate.

At the time the resolution was introduced by the Committee on Post Office and Civil Service, the necessity for the employment of additional personnel was not fully appreciated, but it has since become apparent that the committee is unable to conduct its business without the aid of additional personnel, and it is recommended that the resolution be amended so as to authorize the employment of such personnel as may be required.

Under this resolution (S. Res. 10) is \$3,000.
